Notes

Print Entries can be any size, mounted or un-mounted, but must be a maximum size of 50cm x 40cm (including the mount). Entries should be delivered to Sue Clegg's House. Please don't use sticky tape on the back of your mounts because this can stick to other members photographs. Please write your club membership number and print title on the back of the print in pencil. Don't forget to collect your print entries after each competition.

Digital Entries must be resized to 1600 pixels wide x 1200 pixels high and named "Entry Number '*space*' Title '*space*' Membership Number.jpg". Entries should be e-mailed to photographic_society@manx.net.

Members can enter a maximum of 3 x print entries and 3 x digital entries for each competition. All members will have their entries marked by the judge out of 20 marks, with scores added up at the end of the season to determine the overall winners. The top 3 entries (or more if scores are tied) on each competition night are not eligible to enter another competition except for the 'Image of the Year' competition.
